What is the Belleville Central Business Community?

The Belleville Central Business Community or CBC's main purpose is to develop, encourage, and promote the commercial and business interest of the City of Belleville as well as the surrounding Tri-Community.

Why should by business join the CBC?

First and foremost is exposure and recognition for your business or organization. You play a vital role in the Belleville area. By becoming a member of the CBC, your business or organization will gain visibility by the Belleville community through your sponsorships or volunteerism at the many events that take place through the year. The CBC also provides a forum for businesses regarding matters reflecting their interests and concerns. Anytime a business or an organization sponsors an event; recognition is given on all forms of advertising as well as displayed at the event. Members are also listed on the CBC website: www.bellevillecentralbusinesscommunity.com

When do the members of the CBC meet?

The CBC members currently meet the Second Tuesday of every month at 3:00 pm to discuss promotional events as well as matters of mutual interest. Meeting reminders are emailed.

Are there sponsorship opportunities available?

Yes. Throughout the year the CBC sponsors numerous events which continue to provide exposure and recognition to our members. With each event there are sponsorship opportunities available. The CBC recognizes all sponsorships through print advertising, social media, the website and signage at all events. A donation in any denomination or item is always welcome.

What if my business would like to volunteer for an event?

There are many opportunities to volunteer with each event. It may be delivering signs, setting up tables, passing out information, soliciting donations and countless other ways. No volunteer is ever turned away. Volunteers can sign up on the Sponsor/Volunteer form.
